Remarks : 1. Student must complete this form and submit to Registration and Admissions Office
2. Suggested practices for students expecting to graduate are attached.

Suggested Practices for Students Expecting to Graduate

1. Students must check the correctness of personal information from e-Registrar; namely first and last name both in Thai and English, date/month/year of birth, place of birth and the previous university before enrolling at Payap University. If any incorrect information is found, contact the Registration and Admission Office for changes.
2. If the information is correct, print it out, certify by signing your name, and attach the document with this form.
3. Students must check information in “GRADUATION CHECK” menu by selecting “PATTERN 1: DISPLAY PROGRAM STRUCTURE” from e-Registrar, print it out, certify by signing your name, and attach it to this form.
4. Students must key in the address for additional graduation news together with telephone number in the “STUDENT BIOGRAPHY” menu by selecting “CORRECT STUDENT BIOGRAPHY” menu. Key in all personal information completely. It will be kept in “Payap Graduate Records.”
5. Student must be checked debt balance by the Finance Office and submit all the documents at Graduation Qualification Unit Educational Documentation unit, Registration and Admission Office.
6. Student must verify the correctness of your personal data, the process provided by student record's office.
7. Students who have already submitted this form but cannot graduate in that particular semester must submit this form again when they expect to graduate.
8. Students who have already submitted this form but would like register again in the next semester must inform the Registration and Admission Office. Besides, they must submit the graduation form again in the particular semester they expect to graduate.
9. Students must submit the graduation form within the expected time.

Suggestion:

Students are required to check the correctness of their personal information on e-Registrar. If any incorrect information is found, they must inform the Registration and Admission Office for changes, especially the spelling of their first and last names which must be similar to those on their ID card or passport. Any correction cannot be made once Payap University Board of Trustees has already approved the graduates' list proposed by the Registration and Admission Office.

The Registration and Admission Office is going to issue the following documents approved by PYU Board of Trustees for those who have graduated:

1. One official transcript.
2. One certificate.

Remark:

1. For those who would like to receive the documents sent by post within Thailand, please contact Graduation Qualification Unit Educational Documentation Unit, Registration and Admission Office.
2. For those who would like to receive the documents sent overseas via airmail, please fill out the form available at Finance Office. (Postage: 150 THB/set)
3. Obligations or debts owed to the university include tuition, dorm fees, water and electricity bills, medical bills, library fines etc.
